CRX-65 REFRIGERATOR

DOMETIC

CRX-65

CUT-OUT DIMENSIONS:
17.625" W x 20.625" H x 21.875" D

PATENTED DOUBLE-LOCK MECHANISM ON DOOR
Secures the top and bottom of the door - keeping it closed while driving.

1.9 CUBIC FEET INTERIOR - Offers plenty of room to store food and beverages.

STAINLESS STEEL FITTINGS - Resistant to corrosion.

RECESSED DOOR GRIP
Provides a non-protruding door grip that gives a sleek look to your vehicle cab.

REMOVABLE FREEZER
Allows the interior storage area to be partitioned between freezer and refrigerator or completely removed so interior storage can be ALL refrigerator or ALL freezer (determined by the selected temp.)

ELECTRONIC CONTROLS
Control panel with LED light for interior illumination is located just inside the door on the left side. Panel houses push button switches for Power ON/OFF and Temperature Settings. Control panel also has LED indicator lights for Power, Errors and Cooling Performance.

NTC THERMISTOR
The Negative Temperature Coefficient (NTC) - Thermistor is an incredibly accurate temperature sensor — ensuring correct temperature readings and error alerts, if there is an issue. NTC is easily accessible for serving.

EXTREMELY QUIET RUNNING
Speed controlled compressor increases efficiency and allows refrigerator to run quietly once desired temperature setting is reached.

COOLING SYSTEM DURABILITY
Cooling system - tube and fin condenser w/ bigger fan provides greater cooling performance. Compressor mounting plate is foamed in place allowing all components to have a direct and solid mounting to the cabinet.

INSTALLATION KITS

DOMETIC	**REFRIGERATOR KITS** REFRIGERATOR + INSTALLATION KIT	**INSTALLATION KITS** REFRIGERATOR SOLD SEPARATELY	**COMPRESSOR COVER** SOLD SEPARATELY
