Buyer Objections and Seller Response

Customer is looking for exhaust for his truck- where do I find the part number?

Kit Index is located in our Catalog to help identify correct part numbers.

Why should I offer my customer Dynaflex Exhaust?

Dynaflex is the manufacturer of the Original Monster Stack and have the industry knowledge to know exactly what your customers want all the way down to the mounting brackets. Pair that with the most beautiful Chrome and your customers will be getting the best fit/form/function for their money by choosing Dynaflex Products.
