Detroit Reman ABS ECU4

ABS ECU Sheet V3 3 07 24

General Product Information

Assured Quality Standards: Rigorous inspection of every component after complete disassembly and cleaning. Ambient & hot tested to validate performance in simulated operating temperatures.

Industry Leading: Original components or validated equivalents for cab and frame mounted models are used in the reassembly process. Industry leading processes establish customer confidence in product quality and reliability.

Nationwide Availability: Proudly remanufactured in the USA and available at over 800 locations.

Warranty: We stand behind our product with 1-year / unlimited miles.

Cost of Ownership: A Reman option provides an economical choice while maintaining the same standards and functionality as Genuine.

Comprehensive Testing: Functionally tested with the latest software and reset to original defaults. Voltage-tested to ensure proper readings at both elevated and reduced voltage levels. Internal drivers are load-tested to ensure they are functioning at full power. Sensor inputs are tested and driven through all operating ranges.

Cross References: Reman part numbers cross referenced below to the Genuine part numbers for ordering ease and accuracy.
